ESPOMA WINS MANUFACTURER OF THE YEAR AWARD

Company Honored at 2009 LGMDA Summit

MILLVILLE, NJ ---- The Espoma Company was named ‘Manufacturer of the Year’ at the recent Lawn & Garden Marketing & Distribution Association’s (LGMDA) Summit in Ponte Vedra, Fl. Member distributors graded each member manufacturer they deal with in areas such as Sales Staff & Field Support, Order Fulfillment and Customer Service, and Retail Support. The company took highest honors in each category.

“We are truly honored to be recognized with this award” said Espoma Vice President Jeremy Brunner. “All of our team members work hard to ensure that our customers get great products, on time deliveries, and exceptional support. It’s truly gratifying to see that our hard work has paid off in the form of great relationships with our distributor customers” Brunner continued.

For nearly 30 years, the Lawn & Garden Marketing & Distributors Association (LGMDA) has successfully represented the interests of distributors and manufacturers of lawn and garden products.

Since the 1929 introduction of its first organic plant food, Espoma has provided generations of gardeners with safe, effective solutions from the finest natural ingredients. Espoma now offers an extensive selection of natural gardening solutions including lawn foods, plant foods and natural pesticides.
