- | In 8 qt. bags.

### Organic Vermiculite

- | All natural - 100% pure.
- | Loosens soils & prevents compaction.
- | In 8 qt. bags.

## THE MYCO-TONE ADVANTAGE

We have enhanced several of our mixes with Myco-tone™, a proprietary blend of 11 different strains of mycorrhizae, which have been proven to promote root growth, increase water uptake, and reduce drought stress and transplant shock.

### Additional Benefits of Myco-tone:

- | Use up to 30% less water than ordinary soils.
- | Improves transplant survival & growth.
- | Bigger roots for increased water uptake.
- | Increases tolerance for drought & other environmental stress.
- | Improves soil structure.
- | Increases fertilizer utilization.

With and without Myco-tone. Bigger roots and growth.

With and without Myco-tone. Bigger blooms and plant growth.
