Espoma Tones – For Organic Gardening

Holly-tone® --4-3-4 --Formulated for acid-loving plants like hollies, azaleas, camellias, dogwoods, evergreens, rhododendrons and laurels, Holly-tone has been the number one plant food for acid-loving plants for over 50 years. Available in 4, 8, 20, 27, 35 and 40 lb. bags.

Flower-tone® --3-4-5 --Specifically formulated for annuals and perennials, Flower-tone is low in nitrogen and rich in potash and trace nutrients to promote and prolong abundant blooms. Available in 4 and 20 lb. bags.

Plant-tone® --5-3-3 --The company's very first plant food, introduced in 1929, Plant-tone is an all natural, all purpose plant food which is approved for organic gardening and excellent for preparing soil beds. Available in 4, 8, 20 and 40 lb. bags.

Rose-tone® --4-3-2 --Preferred by professional rosarians, Rose-tone is a premium rose food which provides a safe, long-lasting reservoir of nutrients throughout the growing season for prize-winning roses. Available in 4, 8, and 20 lb. bags.

Bulb-tone® --3-5-3 --Rich in bone meal and other natural organics, Bulb-tone is ideal for providing a complete, balanced feed for all bulbs including daffodils, tulips, gladioli, crocus, iris, hyacinths, lilies and more. Available in 4 and 20 lb. bags.

Tomato-tone® --3-4-6 --Based on the recommendation of six different university studies, Tomato-tone's formula was designed to produce plump, juicy tomatoes. Available in 4, 8, and 20 lb. bags.

Garden-tone® --3-4-4 --Originally developed for professional gardeners, Garden-tone provides safe, continuous feeding for all vegetables. Available in 4, 8, 20 and 40 lb. bags.

Tree-tone® --6-3-2 --A complex blend of organic and inorganic supplements specially formulated for shade, fruit and ornamental trees, Tree-tone helps in the development of the entire tree: leaves, trunk and roots. Available in 4 and 20 lb. bags.

Citrus-tone® --5-2-6 --Based upon university recommendations, this all natural organic blend is specifically formulated to produce abundant and flavorful citrus fruit. Available in 4, 8, and 20 lb. bags.

Palm-tone® --4-1-5 --An all natural organic blend for all palm and hibiscus; formulated from university recommendations. Available in 4 and 20 lb. bags.

Bio-tone® Starter Plus --4-3-3 --An all natural plant food enhanced beneficial bacteria and mycorrhizae. This proprietary formula works naturally within the soil to help plants establish fast, withstand environmental stress, promote deeper roots and better blooms, and improve soil structure. Available in 4 & 25 lb. bags.

Gro-tone™ --2-2-2 --New all natural organic liquid plant food concentrate. 100% fish protein with a pleasant mint scent added. Promotes bigger plants & blooms for indoor and outdoor plants. Available in 16 oz bottles.

Lawn Foods

Espoma Organic® Weed Preventer Plus Lawn Food --9-0-0 -- Made from corn gluten meal, this all natural by-product from the production of corn starch feeds lawns and prevents weeds by inhibiting root development in seedlings. Apply twice per year: early spring and fall. A 25 lb. bag covers 1,250 sq. ft.

Espoma Organic® All Natural Lawn Food --7-2-2 -- Formulated from all natural ingredients and enhanced with Bio-tone beneficial microbes to help ensure a thicker, greener lawn that is better able to withstand the stresses of heat and drought. Use any time of the year. A 30 lb. bag feeds 2,500 sq. ft.

Espoma Lawn Food® --18-0-3 -- An organic based lawn food which is a rich source of slow release nitrogen, potassium, and sulfur. Espoma Lawn Food provides a balanced mix of organics and inorganics that provide rapid greening plus steady, long-term feeding for dense, healthy turf. Available in 20 and 40 lb. bags. A 40 lb. bag feeds 10,000 sq. ft.

Espoma Organic Traditions®

Greensand --0-0-0.1 --Made up of the mined mineral Glauconite which is rich in soil conditioners and other trace elements, Greensand contains 6% total potash with 0.1% available immediately, and is effective at improving clay and sandy soils. Available in 10 and 36 lb. bags.

Rock Phosphate --0-3-0 --A natural source of phosphorus, this pelletized phosphate rock containing 24% total phosphate is best for establishing new plantings, for fall planting of perennials and bulbs, and for stimulating root development in plants. Available in 5 and 28 lb. bags.

Bone Meal --4-12-0 --An all natural, 100% pure source of organic phosphorus and nitrogen, Bone Meal is particularly useful for bulbs and all perennials at planting time. Available in 4.5, 10, and 24 lb. bags.

Cottonseed Meal --6-2-1 --Rich in nitrogen, this meal is uniquely processed for ease of use, and is 100% organic plant food; ideal for use on trees and shrubs. Available in 2.75 lb. bags.

Dried Blood --12-0-0 --A safe source of organic nitrogen, this nitrogen enhancer produces more vigorous plants with richer, greener leaves and larger, more luxuriant blooms. Available in 3.5 and 17 lb. bags.

Garden Lime --The finest grade of pelletized, dolomitic limestone available. Adjusts soil pH so plants can get the most from nutrients present. Fine pellets spread easily, react quickly and do not pose the hazards associated with hydrated lime. Available in 5 lb. bags.

Garden Gypsum --This fast-acting soil conditioner is effective at loosening heavy clay soils and countering the damage of winter de-icing salts and burning caused by pets. Available in 5 and 36 lb. bags.

Garden Manure --4-2-2 --Approved for organic gardening, this all natural, all organic manure is a rich source of primary nutrients which has been dehydrated and granulated for ease of use. Available in 2.75 and 15 lb. bags.

Kelp Meal --1-0-2 --A natural source of potassium, kelp meal is brown seaweed harvested from cold waters and processed at low temperatures and dried. It is an excellent soil conditioner, and a rich source trace nutrients. Available in 3.5 lb. bags.

Soil Acidifier --Long-lasting, safe and non-toxic, this all natural soil acidifier lowers the pH of soils and allows acid-loving plants to achieve optimum growth. Also, turns hydrangeas blue. Available in 5 lb. bags.

Espoma Quick Solutions

Super Phosphate --0-20-0 --The purest grade super phosphate available, this enriched source of phosphorus aids root growth and fruit and flower setting. It is easily applied to lawns, shrubs, trees and vegetables in granular form. Available in 5 lb. bags.

Triple Super Phosphate --0-45-0 --An enriched source of phosphorus in a granular formulation, this product aids in root growth and fruit and flower formation. It is ideal for lawns, trees, shrubs and vegetables. Available in 5 lb. bags.

Garden Food --5-10-5 --An agricultural-grade, general purpose plant food that makes the three major nutrients quickly available to enhance growth in all flowering plants and vegetables. Available in 5 lb. bags.

Garden Food --10-10-10 --A general purpose plant food providing equal amounts of the three major nutrients, this product promotes vigorous growth in all flowering plants and vegetables. Available in 5 lb. bags.

Espoma Composting Product

Compost Starter --This 100% bio-organic mix contains billions of microbes, including moderate and high heat active varieties, is especially cultured for fast, healthy composting to speed the decomposition of difficult materials. Available in 3.5 lb. bags.

Espoma Soils & Amendments

Espoma Organic™ Potting Mix; Cactus Mix; Seed Starter – Rich, premium blends of the finest natural ingredients. All three contain sphagnum peat moss, peat humus, perlite, and each has been enhanced with Myco-tone™, a blend of endo & ecto mycorrhizae. Each mix helps promote root growth, increase nutrient and water uptake, and grow larger plants with more abundant blooms. All Purpose Potting Mix available in 4 qt., 8 qt., 16 qt., & 1 & 2 cu. ft. bags; Cactus Mix available in 4 qt. bags; Seed Starter available in 8 & 16 qt. bags.

Espoma Organic™ African Violet Mix – A rich, premium blends of the finest natural ingredients. For violets and all blooming indoor houseplants. Available in 4 qt. bags.

Espoma Organic™ Orchid Mix – A blend of chunk fir bark, perlite, and charcoal Provides optimum drainage and aeration for orchids and all epiphytes. Available in 8 qt. bags.

Espoma Organic™ Planting Mix – A rich, premium blend of the finest natural ingredients; it contains sphagnum peat moss and peat humus that help to loosen heavy soils. Available in 1 cu. ft. bags.

Espoma Organic™ Perlite; Vermiculite, Peat Moss – Pure soil conditioners approved for organic gardening. Each can be used to improving heavy potting soils or to make a custom growing media. Peat Moss is available in 8 qt. bags. Vermiculite & Perlite are available in 8 & 16 qt. bags.

Soil Perfector® --All natural soil conditioner made from expanded slate. Permanently improves clay and sandy soils. Prevents compaction and promotes root growth. One-time application. Won't break down like peat moss. Add it to all soils and potting mixes. Available in 27 lb. bags.
